

Appendix L
Version Code Table

Identification	
Title	Version Codes
Purpose	The version code is a combination of date and agency. The date consists of the year, month and day (YYYYMMDD). The agency code is a single letter, and indicates which agency authorized the last change to the feature (generally either the agency itself or PAGIS).
Entity and Attribute Information	
City Code	Definition
L	Little Rock
C	Pulaski County
W	Wrightsville
N	North Little Rock
S	Sherwood
J	Jacksonville
